### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The herein claimed method of employing the herein claimed vitamin D compound to treat leukemia, colon cancer, breast cancer and prostate cancer is not seen to be taught or fairly suggested by the cited prior art. Examiner notes that the instant case is the divisional of 10/045,941, filed 10/19/2001, which is a divisional of 09/616,778, filed 7/14/2000, which is a continuation-in-part of 09/135,463, filed August 17, 1998, which is a continuation-in-part of 08/819,694, filed March 17, 1997. The herein claimed vitamin D compound, 2 $\alpha$ -methyl-19-nor-20(S)-1 $\alpha$ ,25-dihydroxvitamin D<sub>3</sub>, is therefore, considered novel. The subject matter herein claimed would have priority from March 17, 1997. Therefore, the primary reference, US 5,945,410, is no longer a proper reference under 35 USC 103.

Claims 18-22 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

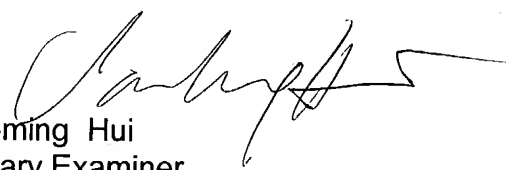

Any inquiry concerning this communication or earlier communications from the examiner should be directed to San-ming Hui whose telephone number is (571) 272-0626. The examiner can normally be reached on Mon 9:00 to 1:00, Tu - Fri from 9:00 to 6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sreeni Padmanabhan, PhD., can be reached on (571) 272-0629. The fax
